# NOVEMBER 11

## Building Your Legacy **NOW**

Everyone hopes to leave behind a legacy. NOW members have been building theirs for years helping to empower women and girls in an effort to move us towards a more equal society. We think that's a pretty awesome legacy which is why we're having an event spotlighting our NOW members with an evening filled with fun, food, raffles and socializing. So whether you're a NOW member or not, help us celebrate our favorite feminists!

**Join us on Monday, November 11<sup>th</sup> at the Duck Club in Irvine (15 Riparian View) as we thank our loyal members and talk about how each of us can build our own legacy.**

Our featured speaker will be Helen H. Timpe, CFP® (founding partner of The Timpe Group at Morgan Stanley) who will discuss how to recognize who we truly are and the gifts within ourselves to ensure we're building our own legacies through our actions.

We'll also be updating you on the projects we're working on this next year and offer ways you can become more involved – as part of building your own legacy.

*If you're a NOW member, be sure to join us so we can thank you in person. And please consider bringing a friend.*
