

# SATURDAY, MAY 4TH

## GIRL'S LEADERSHIP CONFERENCE

Join us for a half-day conference, which will include a panel of female leaders who will discuss their career paths, lessons they wished someone would have shared with them when they were your age and tips for you to begin planning your own leadership path. Material covered is age appropriate for girls and young women between the ages of 13-18.

College mentors will represent the following majors:

- International Relations
- Political Science
- Pre-Med
- Engineering
- Law
- Women's Studies
- Chemistry/Biology

This **FREE** event is the perfect opportunity to hear and learn from a politician, an architect, a soldier, a journalist, an OC probation officer, a psychologist and a nonprofit academic coordinator. These amazing women will share their stories and advice to help you begin your own unique journey.

Bring your friends and/or your favorite adult to share in this incredible day of girl's empowerment!
